Cross-Border Insolvency

Morris Nichols' experience in managing cross-border restructurings includes many of the more complex cross-border distressed, restructuring, and insolvency matters brought to Delaware in recent years. We have unique experience advising clients in cross-border insolvencies involving assets and operations in both the United States and abroad. We are a **TerraLex** member firm and welcome the opportunity to work with members worldwide.

In distressed situations where both speed and local experience are crucial to success, the Business Reorganization & Restructuring Group has proved to be invaluable to clients looking to obtain prompt and knowledgeable assistance.
