Representative Matters

- Represented a group of major auto manufacturers in TK Holdings' chapter 11 bankruptcy proceeding, involving the largest auto safety recall in U.S. history.
- Represented fashion start up Tamara Mellon Brand, LLC as debtors' counsel in a pre-packaged plan of reorganization to achieve a new capital infusion from a large venture capital fund. Prevailed in contested confirmation hearing against old equity owners.
- Co-counsel to Nortel Networks Inc. and certain U.S. affiliates in complex cross-border chapter 11 bankruptcy case. Successfully achieved confirmation of a plan to implement a global settlement that included allocating the unprecedented \$7.3 billion of escrowed sale proceeds generated from the Nortel asset and IP sales between Nortel entities in the United States, Canada and Europe, which allocation was the subject of a 21-day joint trial in U.S. and Canadian courts.
- Co-counsel to certain equity sponsors and various affiliates of Texas power company, Energy Future Holdings Corp., in complex contested reorganization and substantial discovery matters.
- Co-counsel to the official committee of unsecured creditors in bankruptcy proceedings for Boomerang Tube LLC. The committee successfully opposed the debtors' and secured lenders' proposed plan of reorganization that contemplated an unreasonably low valuation that would have left creditors with zero recovery. Based on the committee's opposition, the bankruptcy court rejected the debtors' and lenders' valuation, ultimately resulting in a distribution to creditors as part of a plan settlement.
- Represented Fifth Street Finance Corp. as pre-petition and debtor-in-possession lender in bankruptcy proceedings for software services company AmCad Holdings, LLC.
- Co-counsel to oil tanker Overseas Shipholding Group, Inc. (OSG) in Delaware chapter 11 proceedings. Successfully reached a \$1.5 billion rights offering to pay creditors in full.
