William & Mary

ADMISSIONS

Delaware, 2012

U.S. District Court for the District of
Delaware, 2013

U.S. Court of Appeals for the Federal
Circuit, 2014

Megan's practice focuses on patent infringement litigation. She represents clients in a variety of technological fields, particularly in the pharmaceutical and chemical arts. Her experience also includes *inter partes* review (IPR) proceedings.

Megan has been involved in all phases of litigation, including fact discovery, motions practice, expert discovery, trial, and appeal.

Prior to attending law school, Megan worked as a research and development chemist for a specialty chemical manufacturer, developing new synthetic products and optimizing existing manufacturing processes.

Professional Activities

- American Bar Association
- Delaware State Bar Association
- Federal Bar Association
